

FORUM QUARTZ HALF SLABS

UMI
The Source

PREMIUM QUALITY. PERFECT SIZE.

Available in a variety of stunning options (3cm only), Forum Half Slabs offer a practical and cost-effective solution for smaller spaces, vanities, or custom installations—giving you the beauty of quartz without committing to a full slab.

WHY FORUM HALF SLABS?

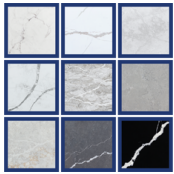

COST SAVINGS

No waste, no overspend—maximize value with every cut.

EFFORTLESS MATCHING WITH FULL SLABS

Order a half slab that pairs perfectly with your full slab selection.

HALF SLABS IN EVERY COLOR

Offered in all Forum Quartz colors.

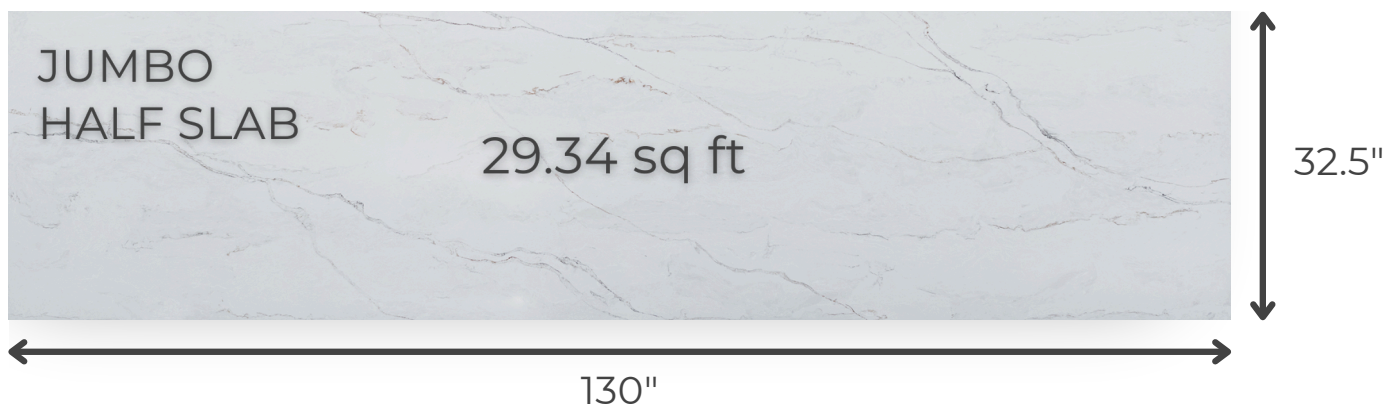

PERFECT DIMENSIONS FOR SMALL JOBS

Sized just right for smaller projects—no excess material.

DETAILS

- Offered exclusively in 3cm thickness.
- Pair with a full slab from the same lot upon request.

- No returns on half-slabs.
- A signed PO or OA is required before cutting - *no exceptions*.
- If not in stock, lead time may vary based on color availability.
- Matching full and half slabs requires selection from the same lot.
