DETAILS

Half slabs are cut from either jumbo or regular slab sizes, depending on availability:

- If we stock both jumbo and regular in a color, half slabs are cut from regular.
- If we only stock jumbo, we cut from jumbo.
- If we only stock regular, we cut from regular.

- No returns on half-slabs.
- A signed PO or OA is required before cutting - *no exceptions*.
- If not in stock, lead time may vary based on color availability.
- Matching full and half slabs requires selection from the same lot.
